

5 Day Boarding Program

Now you can be a Hound and go home on the weekends!

Students within 80km commuting distance of the College can board from Sunday evening through to Friday after school and spend their weekends at home. The program provides these students the opportunity to experience all the benefits of a Notre Dame education, along with a transitional boarding school experience that helps prepare students for the independence of university life.

Here is how the program works:

1. Students arrive on campus Sunday evening at 7:00PM and leave campus Friday evening at 5:00PM or when their activities for the day are completed (they must be signed in and out by an authorised guardian and may not have a car on campus).
2. Attend classes and activities as a member of the Notre Dame School and community throughout the week. If there are activities on the weekend and/or after school on Friday, students are responsible to be at those events with their classmates and teammates.
3. 5 Day boarding students are allowed 2 nights or 1 weekend per semester where they can remain on campus without paying an extra fee.
4. For students to qualify for the 5 Day Boarding Program, they must live with their parents/legal guardians in their primary residence located within 80km of Wilcox. This will include those who live within the city limits of Weyburn, Moose Jaw and Regina.
5. Fees are as follows
